## **The secret art of Glima**

an introduction to Viking martial arts

by Lars Magnar Enoksen

**Scandinavian Heritage Publications**

*For the first time ever the secret of Glima is revealed. Read the fascinating story about the fighting art of the Vikings that has survived in unbroken traditions in Scandinavia from the medieval times to the modern age. This secret Art has been handed down from master to master, but almost died out before the old knowledge found a safe harbour at the end of the last century.*

(This quality book is bound in hard cover, size: 125 x 175, 64 pages)
